HOW LOQELO WORKS

From one sentence to the right pro.

One simple flow, from describing your need to choosing who does it.

01 **Describe your need**
One sentence, in your own words. Add photos if it helps.

02 **We find the services**
Loqelo recognises what the job needs and tells matching pros nearby.

03 **Receive offers**
Local pros review your request and send you their price and timing.

04 **Choose your pro**
Compare price, timing and reviews, then pick the one that fits.
