Lawn care & hedge trimming, back garden 120 m²

Amstelveen-Noord · 3.2 km from you | By Sat 17 Oct | Posted 2 h ago | 3 offers so far

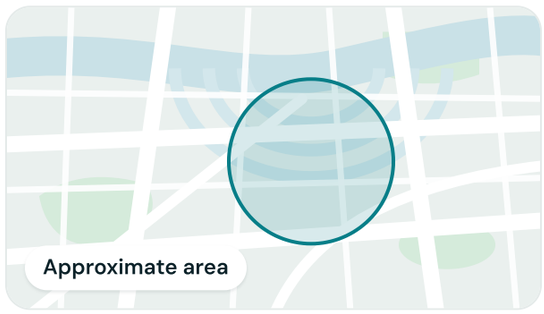

About the job

Mow and edge the lawn (about 120 m²), trim the laurel hedge along the back fence (around 18 m, 1.8 m high) and take away the green waste. There's side access through a gate, so no need to go through the house. An outdoor tap and power socket are available.

Is the hedge laurel or conifer? And would you like the height reduced too?

> **Marta K. · Client**
> Laurel. Please keep the height, just tidy the sides and top.

Can the green waste go in your garden bin, or should we take it all?

> **Marta K. · Client**
> Please take it all, our bin is small.
